Proceedings (In Chambers): The Court GRANTS the motion to dismiss

Before the Court is a motion to dismiss the action pursuant to Federal Rule of Civil Procedure 41(a)(2) filed by Plaintiff Rolinda Sotomayor ("Plaintiff"). *See* Dkt. # 38. Defendant County of Los Angeles ("Defendant") opposed. *See* Dkt. # 39. Plaintiff replied. *See* Dkt. # 40. Defendant does not oppose dismissal per se, but rather opposes dismissal without prejudice; and Defendant has not argued that it will suffer any prejudice from dismissal. *See generally* Dkt. # 39.¹ After reading and considering the moving, opposing, and reply papers, and considering the circumstances in this case, the Court **GRANTS** the motion to dismiss the action without prejudice pursuant to Rule 41(a)(2). This order closes the case.

IT IS SO ORDERED.

¹ Plaintiff filed a notice of withdrawal of the motion on September 10, 2020, indicating that she would refile it before the District Judge. *See* Dkt. # 43. The Court construes the currently-filed motion as before the District Judge, obviating the need to withdraw the motion.
